Firm nominations and recognitions

Chambers Latin America, Chambers Global, Legal 500, World Trademark Review and Managing Intellectual Property, the most prestigious legal directories that rank Intellectual Property firms, have unanimously ranked FISCHER Abogados as the leading law firm in Intellectual Property in Uruguay.

Chambers and Partners is recognized worldwide as the most prestigious law firm ranking guide and since 1999 publishes the legal directories CHAMBERS LATIN AMERICA, and CHAMBERS GLOBAL which include among other areas of practice, Intellectual Property.

Legal 500 has been studying the legal market and ranking law firms at a global level for more than 20 years, and its legal directory in Latin America, which among other countries includes Uruguay, is the preferred source of in-house counsels, company executives and professional consultants to find and assess their law firms.

Managing Intellectual Property (MIP) is the most prestigious ranking of law firms focused in Intellectual Property, and each year conducts a World Survey in the field of Intellectual Property (World IP Survey) which is considered to set the industry standards.

World Trademark Review (WTR) is the only law firm ranking focused exclusively on trademark practice, and it is also recognized worldwide for its prestige as a means of assessing trademark law firms.

The reliability and prestige of these rankings respond to their independent ranking methods, which include a rigorous and exhaustive analysis of the qualifications and professional practice of the law firms, conducting interviews with clients, and gathering testimonies of colleagues and key players in the market. The sole inclusion in these rankings represents a special distinction for the nominees, and obtaining the highest position in the rankings, Band 1, Level 1, Tier 1, and Band Gold is the highest recognition that a law firm in the field of intellectual property can achieve.

The legal guides CHAMBERS LATIN AMERICA 2016, and CHAMBERS GLOBAL 2016 have awarded FISCHER Abogados with the highest ranking, Band 1, recognizing our firm as the

leading law firm in the field of Intellectual Property in Uruguay.

Furthermore, both legal publications have distinguished Dr. Gustavo Fischer with the highest ranking, Band 1 for its work in the field of Intellectual Property in Uruguay.

Legal 500 has ranked FISCHER Abogados as a leading law firm, Level 1, in Uruguay. The legal publication has distinguished FISCHER Abogados for its expertise in all areas of Intellectual Property, and highlighted that "the Firm's level of service is excellent".

The 2016 World IP Survey of Managing Intellectual Property (MIP) has ranked again FISCHER Abogados in the highest level, TIER 1, in the areas of Patent contentious, Patent Prosecution and Trademark / Copyright contentious.

World Trademark Review (WTR) has ranked FISCHER Abogados with the highest ranking, Band Gold, for its expertise and work in the trademark field in Uruguay. Also, the survey recognized Dr. Gustavo Fischer with Band Gold, and described him as being "one of the country's leading lawyers in any area".

In addition, FISCHER Abogados has been honored to be featured in the latest editions of Who's Who Legal, and in Euromoney and Legal Media's Expert Guides.

Since 1996 Who's Who Legal has identified the foremost legal practitioners in 32 areas of business law. They take pride on the integrity and authority of their findings. Nominees have been selected based upon comprehensive, independent survey work with both general counsel and private practitioners worldwide.

The firm has been listed in the Patent and the Trademark fields of the Expert Guides. Expert Guides have been providing counsel with access to the world's leading business lawyers in specific areas of law for over 18 years. Expert Guides are published by Legal Media Group, the legal publishing arm of Euromoney Institutional Investor, one of the world's leading financial publishers.

Uruguay Facts

Surrounded by the territories of Argentina and Brazil, by large rivers and by the Atlantic Ocean, Uruguay is located in a privileged setting in South America.

Uruguay is strategically placed in the centre of the MERCOSUR (the Southern Cone common market among Argentina, Brazil, Paraguay and Uruguay, and having trade agreements with Chile and Bolivia).

Since its foundation, Montevideo, was seen as a privileged geopolitical enclave in the Southern Cone. Location of the largest natural port on the River Plate, Montevideo has always been the port of entry to the region.

For this privileged situation and its temperature between 12°C (35°F) to 25°C (78°F) from winter to summer, Uruguay is the choice as seat of major multinational companies, and for congresses, conventions, national and international events.
